

Respiratory indications

Clario has helped sponsors collect spirometry and other pulmonary function test data for a wide array of respiratory and non-respiratory indications.

Cardiovascular

- Atherosclerosis
- Cardiomyopathy
- Hypertension
- Stroke

CNS

- ALS (Amyotrophic Lateral Sclerosis)
- Analgesia
- Migraine
- MS (Multiple Sclerosis)
- Narcolepsy
- Pain
- Parkinson's Disease
- Post-Op Pain
- Smoking Cessation
- Spasticity
- Other

Dermatology

- Alopecia
- Dermatitis-Atopic

Ear/Nose/Throat

- Nasal Polyposis

Endocrine/Metabolic

- Alpha-Mannosidosis
- Diabetes
- Gaucher Disease
- Hunter Syndrome
- Lysosomal storage disease
- Pompe Disease

Gastrointestinal

- Crohn's Disease
- Eosinophilic Esophagitis
- Ulcerative Colitis

Genitourinary

- Kidney Disease

Hematology

- Hypereosinophilic Syndromes
- Other

Infectious Disease

- Fungal Disease
- HCV (Hepatitis C Virus)
- HIV (Human Immunodeficiency Virus)
- Influenza
- RSV (Respiratory Syncytial Virus)
- Vaccines

Inflammation/Immune

- Allergy Fungal Rhinosinusitis
- Allergic Rhinitis
- Allergy
- Chronic Rhinosinusitis with Nasal Polyps
- Chronic Rhinosinusitis without Nasal Polyposis
- EGPA (Eosinophilic Granulomatosis with Polyangiitis)
- Inflammation
- Lupus
- Psoriatic Arthritis
- Rheumatoid Arthritis
- Rhinitis
- Scleroderma
- Systemic Sclerosis
- Transplant
- Other

Musculoskeletal

- Atrophy – Spinal
- Cervical Dystonia
- Diffuse Cutaneous Systemic Sclerosis (dcSSc)
- Duchenne Muscular Dystrophy
- Facioscapulohumeral Muscular Dystrophy
- Fibrodysplasia Ossificans Progressiva
- Limb Girdle Muscular Dystrophy
- Muscular Dystrophy
- Myopathy – Idiopathic Inflammatory
- Myotonic Dystrophy Type 1
- Osteoarthritis
- Pompe Disease
- Thymidine Kinase 2 Deficiency

Oncology

- Cancer: Lung
- Cancer: Other
- Mesothelioma
- Non-Small-Cell Lung Cancer (NSCLC)
- Ophthalmology:
- Retinopathy of Prematurity

Respiratory

- Alpha-1 Antitrypsin Deficiency (A1AD)
- Aspergillosis
- Asthma
- Asthma – Eosinophilic
- Autoimmune Pulmonary Alveolar Proteinosis
- Bronchiectasis
- COPD (Chronic Obstructive Pulmonary Disease)
- Cough, Chronic Refractory
- Cystic Fibrosis
- Emphysema
- ILD (Interstitial Lung Disease)
- IPF (Idiopathic Pulmonary Fibrosis)
- Lung Fibrogenesis
- Non-Cystic Fibrosis Bronchiectasis
- PH (Pulmonary Hypertension)
- PH-ILD
- PiZZ Alpha-1 Antitrypsin Deficiency
- Sarcoidosis
- Other

Women's Health

- Pre-mature Birth
